

NEW

D36DYA

Cordless Angle Drill

36V - max. diameter 159 mm

BRUSHLESS

Drill holes up to
159 mm with ease

Aluminium gear housing

Constant speed control

Batteries not included

Specifications

Voltage	36V
Capacity drill chuck	2.0-13.0 mm
Capacity steel	13.0 mm
Capacity wood	50.0 mm
Capacity wood self-feed bit	118.0 mm
Max. drilling capacity hole saw dia.	159 mm
No-load speed high	0-1,500 /min.
No-load speed low	0-400 /min.
Max. torque	170 Nm
Brushless motor	✓
Reactive Force Control	✓
Slip clutch	✓
Keyed chuck	✓
Head height	172.7 mm
Center height	41.8 mm
Tool length	646 mm
Tool width	95 mm
Tool height	198 mm
Weight with BSL36B18 ¹	6.3 kg

Characteristics

High performance brushless motor provides the power to drill holes up to 159 mm with ease

Low center height of only 42 mm and its compact design allow easy access in tight spaces while achieving precise drilling results

Robust aluminium gear housing provides additional rigidity for the toughest applications

The durable, precise keyed chuck offers a firm grip on large drill bits, providing increased torque handling, enhanced stability, and superior longevity

Reactive Force Control and a mechanical clutch ensure maximum safety when performing heavy-duty applications.

Side handle and front hand hold ensure a comfortable and safe grip while drilling big diameter holes

Durable metal cage protects the battery in case the tool is dropped

Constant speed control provides extra power so that the engine can maintain its speed under load

Versions²

D36DYAW4Z: Cardboard box
4966376411184

¹Weight according to EPTA-2004 procedure.

²Standard accessories vary by country or area.
